Greenwich and Woolwich CLP

I'm a lifelong socialist and rejoined the Labour party when Jeremy was elected in 2015. I believe we have a once in a lifetime opportunity to do things differently and have spent the last years campaigning for change and a Labour government led by Jeremy Corbyn.

I'm the Chair of Momentum Greenwich (recently re-elected) a thriving and dynamic group. A facilitator of Momentum's Members Council a national trainer and an activist for promoting democracy in Momentum. I'm also a Unite Community delegate to Greenwich & Woolwich GC, our CLP Women's Forum Secretary, and am active within Unite Community and a Trades Council representative.

In between all of this organised activity I am first and foremost a passionate grassroots activist supporting the fight against injustice in our society.

I am standing for Division 4 to be your London Region CLP Representative. If elected I would work hard and carry out the role to the best of my ability. With the appointment of a new Regional Director and a mayoral election coming up there has never been a better time to be active in the region. I would relish the challenge to:

- Ensure that complaints are handled promptly, impartially and fairly, following the rule book.
- To foster strong communications and build confidence between Labour party members and the London region by promoting transparency.
- To identify strong parliamentary candidates, with the skills and personality, to win seats and increase our majority in parliament.
- Ensure that GLA candidates robustly scrutinise the mayor and with the coming election make this a priority.

I can achieve these aims working with the rest of the Board using over forty years of management skills, gained from my business career, as well as experience as a Labour Party activist. My reputation is that I am discreet, professional, punctual, prepared and dedicated to making a difference. I attend all my meetings

I am very happy to answer any questions my email is duncandorinda@googlemail.com. Please also considering supporting Munir Malik, also running for election in Section 4.
