Born in Africa, of Asian heritage, with a cosmopolitan conviction and a Londoner to boot. I love London and have lived here for the last 54 years, I have been a community activist here for many years, playing a significant role in campaigning against apartheid and racism. To this now must be added the campaign against austerity, against homelessness and for full-employment, a fully-funded NHS and local government.

This comes so much closer with a resurgent socialist Labour Party working to get Jeremy Corbyn into Downing Street and win a second Mayoral term for Sadiq Khan, developing a socialist and co-operative agenda for Greater London and the London local authorities.

I have lived in Welling, Bexley for nearly 20 years, where my youngest daughter was born in Queen Mary's Hospital, went to local state schools and is at university in London. Before then I lived in Beckenham, Bromley for some 8 years, where I joined the Labour Party and Co-operative Party. I have been a European Parliamentary candidate three times, twice in London. I have served as a councillor for both Erith and Thamesmead East wards.

Support me for the Regional Board and I will campaign for us, as a party, to work with our communities through our many members, community activists, councillors, assembly members and parliamentarians. We must mobilise London against the Tories by working in every ward, returning a Labour Mayor; electing many more councillors, assembly members, MPs and ultimately having Jeremy Corbyn in to number 10.

Please also support Dorinda Duncan for Section 4.
